College of the Bahamas
Biochemistry/Music

HUTCHISON PORT HOLDINGS BAHAMAS BUSINESS UNITS - FREEPORT HARBOUR COMPANY, FREEPORT CONTAINER PORT & GRAND BAHAMA AIRPORT COMPANY wish to congratulate our college and university scholarship recipients. These are first year students and upper classmen who have achieved much in and outside of the classroom. They have impressively met the requirements to earn our support. We are so very proud to play a supportive role in their educational journey. These students are enrolled at the College of The Bahamas and colleges and universities throughout the world with diverse majors. They are representative of our nation's best and brightest and they continue to demonstrate the dedication, work ethics, and talents that produce success. We are confident that they will continue to serve as stellar ambassadors of Grand Bahama Island and the wider Bahamas. The parents and guardians are to be commended for being involved in the academic pursuits of these fine young men and women. As corporate citizens, we remain committed to the positive advancement of our young people and wish our scholarship recipients a safe and successful school year.
